Dear Parents/Carers

We are excited to announce that we will be moving our Management Information System (MIS) from Bromcom to Arbor in January 2025. We've chosen Arbor to help us manage our schools across Initio Learning Trust. Arbor is a cloud-based MIS, which will help us work faster, smarter and more collaboratively as an organisation.

Adopting Arbor will allow us to continue to communicate with you efficiently and bring all core school data and workflows into one system.

We are really looking forward to getting started with Arbor and invite parents to use the link below if they wish to find out more.

[Getting started - Log into the Parent Portal and the Parent App.](#)

We will send further communication on the parental app and how to register shortly. This will include moving payments and bookings to the new system. Please look out for this information and register your child when prompted. Be assured that Arbor has the same features as Bromcom/MCAS, such as being able to check your child's information, get live updates and make payments or bookings on the go. If you have any queries in the new year, please contact your school office.

Thank you for your understanding as we 'Go Live with Arbor' at the beginning of the Spring term.

Many thanks
