End of Half Term

(3.11.25 INSET)

Dear Parents and Carers,

Thank you for coming to 'Meet the Teacher' and for all your support in getting the year off to a smooth start. Clubs are up and running, the School Council and Junior Local School Committee (JLSC) have been elected. We have also had extra awards emailed in for Celebration Assembly on Fridays. Please send anything to the school office by the Wednesday before, so that we can add achievements from out of school.

Our choir have already had their first official engagement of the year, singing at St Swithun's Church yesterday. Thank you to all of the children and to Mrs Le Gassick for leading them.

Sadly, we have had some reports of children behaving in unsafe or inappropriate ways before the start of the school day. Please could you ensure that they are safe and supervised until the adults invite them into the building.

Thank you for positive feedback on the school logo- hopefully you will see it gradually start to appear. I'll keep you informed about the changeover with KitzUK.

We kindly remind all parents to review and update their parental consents via the Arbor app. Please log into your Arbor account and check that your contact details and consent preferences are up to date.

Yesterday we said a fond farewell and good luck to Mrs Smith, who has left us to study for a textiles degree at university. It was emotional to say the least, but a good send off.

Have a great weekend!

Ms Kite
