DIARY DATES

17.12.25

Non-uniform, lunch and parties

18.12.25

Last day- 3.10pm
No Busy Bees

5.1.26

INSET DAY

6.1.26

First day back for children

8.1.26

Forest School begins for years 2,4 & 6

Dear Parents and Carers,

Our youngest children entertained us all with their nativity last week. It has been a long first term for them, and it was a pleasure to see them finish it in style and joy.

Several of our year groups visited the Christmas Trail last week. One of the helpers who led one of the stations this morning was SO complimentary about our wonderful children, describing them as kind, wise, clever and engaged. She said she has worked with lots of schools over many years and that their behaviour and attitude were OFF THE SCALE! So proud!

Other Christmas activities have included a visit to Groves, visiting trees (decorated by our reception children) at the United Church, lunch and parties. It has been lovely to work with Reverend John this year- he has done visits, activities and an assembly for us.

Our FOBPS Fayre was a huge success, despite the weather! You all helped to raise over £1900 for our school. Enormous thanks to the team for organising this. It is hours of work behind the scenes, before, during and after the event.

Mr James took two football teams to Huish Park in Yeovil last week. Both teams enjoyed their games and represented our school extremely well.

We all enjoyed the Rocksteady Concert on Tuesday- who would have thought that we would have our very own rock bands at BPS?

Finally, we wish the lovely Miss Hawkins all the very best for the future, as she relocates with her family, and begins a brand new chapter of her life. We will miss you!

Enjoy a restful break. Happy New Year!
Ms Kite
