**12.3.26**

Science Workshops

**13.3.26**

Colmers Library Visit

**16.3.26**

Tree Workshop

Don't forget to check our [website](#) for more dates!

Dear Parents and Carers,

I hope you enjoyed a restful half term and a great first week back. It is lovely to be getting a little more light in the mornings and evenings.

In addition to some workshops for parents, the Mental Health in Schools team have also been running some workshops for the children. This includes work on worries, stress/relaxation and moving on. We are really grateful for this input and support for our young people.

Number day was a roaring success. Thank you to everyone for their costumes and participation. BPS is doing particularly well with their multiplication work in key stage two at the moment and should be congratulated for their efforts.

Our girls football team travelled to Hamworthy last week; they did not win their games, but it was a brilliant experience and they should feel very proud of themselves. The futsal team brought back the trophy for their efforts in the finals- well done to all our team players!

MASSIVE thanks to the FOBPS for organising our discos. Everyone had a great time and raised valuable funds for the school.

Thanks to the library for a warm welcome and thoughtfully planned activities during our visits. The children especially loved the creative art activity using seeds—it was such a unique and engaging way to connect creativity with nature. They also enjoyed exploring the books and learning how the library works in such a fun, interactive way. We truly appreciate the care and effort they put into making the experience so memorable.

On Friday, year three attended a dance festival at Freshwater. They had a wonderful time, performing and viewing others' performances.

Ms Kite

*Learning today for our tomorrow*

## REWARDS AND BEHAVIOUR

Don't forget, every week we put our Celebration Assembly awards on our Facebook page. Please bring in awards and certificates from home before the Wednesday each week, so we can celebrate these too!

<https://www.facebook.com/BridportPrimaryDorset>

## SEN CONTACT

As Miss Bowles will be going back into the classroom after Easter, please could we ask that all SEN correspondence goes through [send@bridportprimary.org](mailto:send@bridportprimary.org).

This address is monitored by several members of staff and will be used by the SENDCo.

### You said...

**You would recommend BPS to other parents.**

**There isn't enough variety in clubs.**

*We have tried to ensure that there has been something for everyone this year, including clubs run by children and different areas of the curriculum (e.g. maths, English, science, art, sports, DT, IT).*
