Dear Parents and Carers,

What a beautiful start to the summer term. The sun is shining and we are all enjoying longer days!

Huge thanks to everyone who supported the Easter Hop; the amazing FOBPS raised £1258 for our school.

Since returning, year two had a brilliant afternoon doing multiskills at Colfox. They ran, jumped and threw, having a thoroughly enjoyable afternoon. Thanks to our parent helpers for joining us on the walk up there.

This term, we have several workshops running for children, as well as a variety of clubs. We are so pleased to be able to offer all of these and encourage the children to sign up.

Our police link, Stuart, joined year six last week to talk about online safety. There are so many issues around social media and online communications: we hope this was useful and informative for our young people.

This week, we also had our school nurse drop-in sessions. We have had overwhelmingly positive feedback about these.

"Katy was so approachable, sensitive, insightful and knowledgeable I felt super reassured coming away with lots of ideas... an uncomplicated approachable way to speak to a medic/health professional."

"Katy immediately understood my concerns and came up with practical ideas that we could explore to support our growing concerns developing further."

Please do sign up for the next one on 1st July. Please contact the school office to book your slot.

Free community session: 'An Introduction to Autism'

What is the session about?

The session was co-developed with
parents of autistic children, a SENCo,
Dorset Parent Carer Council and
Specialist Teachers and Educational
Psychologists from Dorset Council.

It will help you to:

- Understand what autism is and how it may impact young people and families
- Learn some practical strategies to support an autistic child/young person

Please note, this is a general
information session, so we won't be
able to discuss individual children or
schools.

Who can attend?

Anyone from the community,
this could include people:

- with an autistic child
- with a child undergoing an assessment for autism
- who are interested in learning more about autism

ARE YOU ON THE HOUSING REGISTER?

Affordable homes at Foundry Lea

- Affordable homes are beginning to be released on the new Foundry Lea development.
- To be eligible to apply you must be on Dorset Council's Housing Register.
- Registering may not provide you with an immediate housing solution but it is important to be ready when new homes become available.
- You can find out quickly if you qualify by checking Dorset Council's short online check [www.dorsetcouncil.gov.uk/w/check-you-are-eligible-housing-register].
- The check asks a few simple questions, eg, are you over 16, do you have a household income below £60,000pa, and have a local connection to Dorset, such as working or living in the area.
- If you are currently living in privately or socially rented accommodation you can still apply for the register.

Further help is provided by Bridport Citizens' Advice and Bridport Library, South Street.

- At Foundry Lea, there are also affordable Shared Ownership homes on offer.
- A shared ownership home allows you to buy a share of your home, while paying rent on the remaining share.
- To register your interest you need to contact the housing association direct. Abri is currently offering homes via: [www.abrihomes.co.uk/properties/foundrylea].
