Every child has the right to an education. Primary education must be free. Secondary education must be available for every child. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this.

Dear Parents and Carers,

I'd like to recognise the hard work of the children and staff during our recent **SATS** week. Our year six children were simply fantastic- they approached the week with determination and positivity. The rest of the school was so accommodating and supportive, and all the adults involved worked hard to ensure a smooth process. Special thanks to Mr Gall and Mrs Le Gassick- a lot of work goes on behind the scenes!

Year four thoroughly enjoyed their visits to **Tamarisk Farm** this week. They learned about irrigation and explored traditional wool-making techniques, including carding, spinning, twisting wool and knitting. They also helped herd sheep and discovered how to tell a sheep's age by counting its teeth.

What a wonderful opportunity our year fives had, as they got to see and participate in a **Bournemouth Symphony Orchestra** live concert! Being part of this is such a unique and incredible experience.

Year six had a PSHCE assembly and workshop this week, run by **Kooth**. This is a service for our young people to support their mental health and wellbeing. www.kooth.com

The **Pantomime** was such a treat. Mrs Le Gassick, Miss Brown and Mrs McCarthy have been working with a group of young people after school, to create the finished article of Cinderella (with a twist). Enormous fun was had by all, and what a production, in limited time!

Sports Day is coming up, when we return- we are running two events this year: 9.30am reception, one and two; 1.30pm three, four, five and six. We look forward to seeing you there!

We finish the half term with some lovely **baby news**... Miss Bartlett and Miss Barnett are BOTH expecting babies in September! Wonderful and exciting times for them!

I wish you a sunny and restful half term break!

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.
